5.11 Optional Calling Features (Cont'd)

(T)

Description:

Customers can choose from following custom services as additional features which can be added to

Basic Business Line Exchange service on an 'a la carte' basis.

Call Forwarding Variable - allows subscribers to redirect all incoming calls to another telephone number. This service uses a courtesy call so the customer can notify the party at the "forward to number" that calls are going to be redirected to their number.

Call Forwarding Busy Line - automatically redirects incoming calls to a pre-designated telephone number or to a voice mail (FirstLine) service when the customers line is busy.

Call Forwarding Don I Answer - automatically redirects incoming calls to a pre-designated telephone number or to a voice mail (FirstLine) service when the customers telephone is not answered within a specified amount of time.

Remote Activation of Call Forwarding - allows the customer to activate or deactivate Call Forwarding Variable from a telephone other than the one to which the service is assigned.

Remote Call Forwarding - automatically redirects all incoming calls to a customers number to a pre-designated number.

Call Waiting Terminating - alerts the customer to an incoming call while the line is in use. The service signals the customer with two separate tones or tone patterns. The customer is able to place the first party on hold while he/she takes the second call. The customer can switch back and forth between the two parties by flashing the switch hook.

Cancel Call Waiting - allows the customer to cancel the Call waiting feature on a call by call basis. This can be done before the customer places a call or during a conversation (if the customer also subscribes to Three Way Calling).

6.1.1 Directory Errors or Omissions

Consistent with Section 2.1.4.10, the Company's liability arising from any and all errors in, omissions or erroneous inclusions of directory listings shall be limited to and satisfied by a refund not exceeding the amount of the directory listing charges for such of the Customer's service as is affected during the period covered by the directory in which the error or omission occurs.

In the event of an error in or omission of a Customer directory listing from the Yellow Pages or White Pages, the Company shall, in addition to the refund, if any, and subject to the limitations provided herein, credit the Customer's basic business telephone charges, with the following credit during the service life of the directory in which the omission occurred:

Credit to Customer: \$1.00 per month

The Company shall not be liable for any act or omission of the Customer or any other company or companies with respect to errors in, omissions or erroneous inclusions of directory listings.

6.2 Main Number Retention

Main Number Retention is an optional feature by which a new Customer, who was formally a customer of another certificated local exchange carrier at the same premises location, may retain its main telephone numbers and main fax numbers for use with the Company-provided Exchange Access Services. Main Number Retention service is only available in areas where the Company maintains some form of number retention arrangement with the Customer's former local exchange carrier.

I For Customers with multiple premises served by the Company, the Company will arrange for a listing of the main billing telephone number at each premise.

6.4 Vanity Number Service

Vanity Number Service is an optional feature by which a new Customer may request a specific or unique telephone number and fax number for use with the Company provided Exchange Access Services. This service provides for the assignment of a customer requested telephone number other than the next available number from the assignment control list.

Vanity Number Service is furnished subject to the availability of facilities and the requirements of Exchange Access Service as defined by the Company. The Company reserves all rights to the Vanity Numbers assigned to customers and may, therefore, change them if required.

Monthly recurring charges apply per Vanity number.

9. INTRALATA CALLING SERVICE

9.1 Description

IntraLATA calling service provides a Customer with the ability to originate calls from a Company-provided access line to all other stations on the public switched telephone network 4 bearing the designation of any central office exchanges, areas, and zones outside of the Customer's Basic Calling Area but within the same state and LATA.

9.2 Time Periods

Day, Evening and Night/Weekend rate periods are shown below. On holidays, Evening rates will apply unless a lower rate will normally apply.

When available, discounts apply equally and automatically to total charges for all messages with fractional amounts rounded to the nearest hundred cent. Discounts do not apply to Customer dialed calling card, other station or person charges. Additionally, time of day discount apply in the following manner: (T)

- Full Rate: Monday through Friday, 7: 00 a. m. - 6 p. m. (D)
- Full Rate: Weekends and Holidays

Holidays include New Year's Day (January 1), Independence Day (July 4), Labor Day (the first Monday in September), Thanksgiving Day (the fourth Thursday in November), and Christmas Day (December 25).

⁴ Except calls to other telephone companies' caller paid information services (e.g. NPA 900, NXX 976, etc.) . Calls to those numbers and other numbers used for caller-paid information services will be blocked by the Company's centralized switching facility

9.4 Special Business Calling Packages

In addition to the basic rates offered above, ACSI will offer optional minimum volume pricing discounts to its business customers.

The settlement account recurring charge is determined by multiplying the minutes included in the plan by the peak rate per minute charge in effect. As minutes accumulate, whether they are peak minutes or non-peak minutes, they will accumulate against the settlement account. Once the total of the settlement account for the chosen plan is exceeded, the additional per minute charge will apply.

Discounts apply equally and automatically to total charges for all messages with fractional amounts rounded to the nearest higher cent. Discounts do not apply to Customer dialed calling card, other station or person charges. Additionally, time of day discount apply in the following manner:

- Full Rate: Monday through Friday, 7:00 a.m. - 6:00 p.m.

10. PRODUCT AND PRICING

10.1 Inbound Direct Local Exchange Service

Inbound Direct Local Exchange Service ("Inbound Direct 11) provides basic local exchange customers with a single, voice grade analog channel which can be used to receive one cal. at a time only. All outbound calls will be blocked at the switch level. Inbound Direct may not be used for outbound services or to serve as a customer 's primary service line. A minimum order of 10 lines must be purchased.

The Inbound Direct product will be configured provisioned and priced with the hunting feature included. The hunt feature automatically forwards incoming calls to available lines according to a preprogrammed sequence. With the Inbound Direct line, the lines will be placed in a circular hunt group so all lines will be hunted. Each line, including the last line, will include hunting.

Inbound Direct service applications may include remote database access, data transmission/reception, and inbound customer service. Basic exchange lines are provided with Inbound Direct to connect to customer provided modem or other data communication device for connection to the public switched telephone network.
